

ADINSURE FOR LIFE INSURANCE —

Transform your life insurance

Despite the stalled premium growth within developed markets and depressed interest rates, the growing demand and changing demographics provide a wealthy outlook for Life Insurers. The AdInsure insurance platform empowers their path towards personalized customer experience, development of flexible products, and leveraging skills and capabilities to drive innovation.

LIFE PRODUCT LINES —

From risk to investment life products

AdInsure provides comprehensive support for many life insurance coverages, including protection and investment products. The support includes Life Policy Administration and Claims, Sales portals for agents, and distribution partners such as Banks.

AdInsure is a future-proof investment that makes it easy to integrate emerging technologies and data that will significantly impact insurers' ability to play an active role in future areas such as client health.

- Endowment
- Term life
- Credit risk
- Whole life
- Group life
- Unit Linked
