

ADINSURE FOR NON-LIFE INSURANCE -

Digitalize your non-life insurance

Insurers today face increasing pressure from customers, distribution and service partners, and regulators. With modern technology, many of them have turned these challenges into opportunities. AdInsure insurance platform empowers any non-life insurer to digitalize products and distribution channels, redesign underwriting and claims processes, and minimize the compliance risk.

NON-LIFE PRODUCT LINES —

Comprehensive coverage of your non-life lines

AdInsure empowers you to digitalize a wide range of private and commercial non-life insurance lines.

In AdInsure, insurance product support is predefined yet adaptable. You can design, test, and launch new products with AdInsure Studio and create dedicated portals for your teams (sales, claims, and many others).
